

Packing list

In addition to all the basics that you will pack, here is a list of suggested items that may make your time on tour with us even more enjoyable:

Clothing

- A mix of short-sleeve shirts and warmer long-sleeve shirts (temperatures will vary throughout the day and by region, so you will want to dress in layers). Out of respect for the local culture, it is recommended that you do not wear shirts that expose your shoulders.
- Jeans and quick-dry pants or shorts that convert into pants (essential for your time in the Merzouga desert as well as the Atlas Mountains where weather will be colder, and perfect for windy locations, rainy day, or evenings with a bit of a chill). Out of respect for the local culture, it is recommended that you do not wear short-shorts or skirts.
